**The City of Bloomington Utilities to Flush Fire Hydrants in the Renwick Village/Neighborhood Area on Monday, December 7**

**Bloomington, Ind.** – Please be advised the City of Bloomington Utilities will be flushing fire hydrants in the area listed below on Monday, December 7, weather permitting. Should the work not take place on this date because of weather, it will occur on the next suitable day thereafter, weather dependent.

- |                          |                           |
|--------------------------|---------------------------|
| ▪ East Cargill Drive     | ▪ South Piazza Drive      |
| ▪ East Cathcart St.      | ▪ East Railway Circle     |
| ▪ South Eva Hill Drive   | ▪ South Ramsey Drive      |
| ▪ South Hawksmoore Drive | ▪ South Renwick Blvd.     |
| ▪ South Ira Street       | ▪ East Seminary Drive     |
| ▪ East Melville Circle   | ▪ South Springhouse Drive |
| ▪ East Nora Hill Drive   | ▪ South Wilcox Street     |

Customers are cautioned to be careful on the day the fire hydrant flushing occurs as the water can be rusty and will be harmful to laundry as far as staining. If the water becomes discolored, let the cold faucets run for a short while and it should clear up. This work poses no public health risk.

All reasonable efforts will be taken to minimize the inconvenience to the public. Drivers are asked to avoid driving through water discharging from a fire hydrant during the short flushing period.

For more information, please contact the City of Bloomington Utilities at 812.339.1444.
